

YVON LAMBERT

Paris, Thursday May 7th 2020

We hope that you are doing well and that the current situation is not too impacting for you.

The current health emergency has significantly transformed HIV / AIDS prevention. The most vulnerable groups affected by HIV are also those who are most exposed to covid19 because they are often precarious or even on the street!

This is why we will need you even more in the coming months.

We contacted you last March regarding **ART PROTECTS 2020**, the terms of which are set out below.

On **Saturday 5th and Sunday 6th September 2020**, several hundred international artists take part in the eighth edition of "**ART PROTECTS**". The event arouses great enthusiasm amongst buyers as well as generosity from donating artists.

Today, we know how to end AIDS. The means to achieve it do exist. The challenge is to make them accessible to all, and in priority to the most vulnerable and key affected populations. On a daily basis, AIDES activists fight to eradicate the virus. Until then, we once again appeal to your generosity.

The funds raised during the sales exhibition will be donated entirely to AIDES, and more precisely to its actions for rapid HIV screening.

We count on your participation and propose an imposed format:  
**a blank postcard, 10 x 15 cm (3.94 x 5.91 in).**

Conditions to participate, exhibit and sell are the following:

- Each artist is free to illustrate one or several cards;
- Works of Art have to be sent to : Librairie Yvon Lambert - 14 rue des Filles du Calvaire 75003 Paris
- Works of art will be exhibited as a wall painting for three days at the Librairie Yvon Lambert;
- The list of participating artists will be posted at the entrance of the exhibition for the public;
- The name of the artist will only be revealed to the buyer once he/she purchased the piece;
- **Therefore, it is essential that artists play the game and sign their work(s) at the back.**
- Works will be sold at the single price of 100 euros.

Please return your completed piece(s), by **September 1<sup>st</sup> 2020**, at the latest, to Librairie Yvan Lambert, 14, rue des Filles du Calvaire – 75003 Paris / France.

This event calls on the solidarity of all and we thank you in advance for taking part in this exhibition and in the fight against AIDS.

Thank you,

Yvon LAMBERT
